A Cosy, End of Row Townhouse in a Gated Condominium in Vilamoura

This is a cosy townhouse in a gated condominium in Vilamoura with gorgeous mature gardens, plenty of outdoor covered parking and an inviting swimming pool area with a café/bar open in the summer months.

A one bedroom property with roof terrace transformed into a 2 bedroom property. The townhouse is located close to the swimming pool area, so it would be perfect for a family with children; as parents could watch them while preparing the BBQ on the front terrace.

As you go through the small gate to the property on the right there is a staircase that takes you to a roof terrace with views over the condominium and a good part of Vilamoura as well as a small distant sea view. At the entrance of the property there is a small storage area which serves as a laundry area with a recently installed washing machine.
