Beautiful Sleek New Villa Vilamoura

This is a stunning contemporary Villa in a prime location. The sleek and contemporary design is breathtaking, and the finish will be of unrivalled quality. As you walk into the ground floor, you will find the living room / dining area, cloakroom, and one of the en-suite bedrooms.

The first floor is comprised of two further suites, with fully fitted wardrobes, and one boasting its own terrace. On the Roof you will have a very large seating area and jacuzzi. As an addition, the basement offers two further bedrooms, a garage, a cloakroom, and a storage room.

Although linked, the villa design offers complete privacy and tranquility for each property. Each Villa has its own private pool, decking, and terraces. We would highly recommend a viewing of this stunning property.

We also have two other options that can be viewed simultaneously at 1,350,000 and 1,750,000.

This kind of property at this price in a prime Location will not remain available for long.

Fast viewing recommend...
