Lovely Apartment in the Heart of Loulé

Located in the historic centre of Loulé, this bedroom apartment plus office is within walking distance of all essential services, shops, restaurants, and amenities.

Set in an old building that has been fully restored, the project preserves the original façade while offering a modern, practical, and comfortable interior. The apartment benefits from excellent natural light and a high level of privacy. As the property is in the final stages of construction, there is still the possibility to adapt certain spaces and finishes to suit personal preferences.

The apartment will be delivered fully equipped, including household appliances, air conditioning, and underfloor heating throughout. High-quality finishes and superior insulation ensure excellent thermal and acoustic comfort.
