Four Bedroom Duplex Penthouse - views across Vilamoura Marina.

This is a wonderful four bedroom duplex penthouse apartment with stunning views across Vilamoura Marina. Located in a very quiet condominium with an elevator and direct access into the apartment, this property has also been recently renovated. The apartment has a south facing living room with a spacious dining area for 10 people, with a large glass fronted wood burner, which makes the room extra cozy on those winter nights. It also has a fully equipped kitchen with a storage room and four bedrooms on a separate floor and an additional TV/Study area. On the floor above are three good sized en-suite bedrooms, including the master suite with direct access to the stunning rooftop terrace which comes equipped with a brand new outside kitchen. Air conditioning and underfloor heating are throughout. Close to restaurants and bars located in the heart of the Vilamoura Marina. The views across the sea and the Vilamoura Marina are simply incredible.
