The property is built on 3 levels; ground floor, first floor and the basement. Moving further up the corridor, the separate and fully equipped kitchen is on the right. The kitchen is a good size and has access to a small covered and fenced balcony where the laundry area is. Back in the hallway the stairs for the garage are on the left and at the end is the lounge and dining area with two patio doors. The lounge is spacious and light, has a fireplace and access to a lovely open terrace with direct access...
