### Luxurious 3 bed sea view apartment

Here you have an incredible opportunity to invest in a high end off plan development which also qualifies for the golden visa scheme. It offers a unique property management and rental system offering you a 4-5% yearly return in your investment. Options without entering into the rental system are also available for buyers who wish to use this property as a permanent residence. Some apartments with spectacular sea views still available. Contact us for availability and more information. Located just a stones throw from the ocean, with plenty of options to shop, eat, and relax nearby. Apartments will come fully equipped with top end appliances such as bosch or smeg, air conditioning, underfloor heating, parking spaces, and beautiful terraces. You have the opportunity to have a fully managed hassle free investment. 24hr securely gated property, reception, pool area, landscaped gardens, underground parking & storage, shuttle service to the beach, gym, maintenance & repairs.
