Amazing Villa Strategically Located in a Quiet Location with Delightful Views

This is a wonderful villa located in Vale Judeu. The location gives you peace and tranquility but you are only 15 minutes - by car - from the wonderful beaches, marina and golf courses of Vilamoura. The villa is just a few years old with top quality material and contemporary finishes; a thoughtful combination of traditional tiles, modern facade, stainless steel handrails, glass panels and pergolas. It's a perfect mix.

As you enter the ground floor you have a spacious open plan living room and kitchen with fireplace. The villa is light and airy emphasised by the large sliding doors that lead out to the patio and garden. The villa has a wonderful pool and BBQ area that offers privacy and low maintenance. On the ground floor you also have a well sized double bedroom that, if you prefer, could be changed into a separate kitchen / dining room. A family bathroom completes the ground floor.
