Commercial space in the center of Almancil - refurbished

This is a fully refurbished commercial property in the center of Almancil. It has installed air-conditioning, independent bathroom, an equipped kitchenette; including a freestanding fridge, built-in hob, oven and microwave. It is located on the first floor of a small block of other offices and residential apartments. The interior is beautifully decorated and tastefully furnished.

As you enter the property, you are greeted with an open space which can serve as a reception, lounge, or a meet and greet area. A separate bathroom suite consisting a shower space with a sink and toilet. At the end of the open space, on the right, is a separate room, which could be used as a consultation, massage, therapy or a separate relaxation space.
