Amazing Contemporary new Villa Vilamoura

This is a stunning contemporary Villa in a prime location. The sleek and contemporary design is breath-taking, and the finish will be of unrivalled quality.

As you walk into the ground floor, you will find the living room / dining area, cloakroom, and one of the en suite bedrooms.

The first floor is comprised of two further suites, with fully fitted wardrobes, and one boasting its own terrace. On the Roof you will have a very large seating area and jacuzzi. As an addition, the basement offers two further bedrooms, a garage, a cloakroom, and a storage room which can easily be converted into a cinema room or gym.

Although linked, the villa design offers complete privacy and tranquillity for each property. Each Villa has its own private pool, decking, and terraces.
