### **Glorious three floor triplex apartment with stunning views and sun deck rooftop in gated condominium**

This quite special three floor triplex apartment is located in a quiet area with great facilities and unique layout, as well as being an end of building property. This top floor apartment has three floors of its own. The entrance hall guides you into the spacious fully fitted kitchen with breakfast area and all modern appliances. Also, opening up from the entrance area is a huge open plan L shaped lounge with dining room. Both parts of this living space have their own large balconies for outdoor dining or relaxing. The lounge also has large Sky windows which make this space beautifully bright. There is also a social bathroom on this floor.

Down the stairs from the entrance hall there are three main bedrooms with plenty of fitted wardrobes and generously sized bedrooms. There are also two more en-suite bathrooms and a s
