Traditional large villa on a corner plot in a terrific urban area

This property is located in a popular urban area with ideal access to major travel networks close by. This extensive villa boasts walking distance to the water park and a number of renowned restaurants.

The villa itself has a large open and bright entrance hall, off of which the main lounge area has a wood burning fireplace. To the right of the entrance hall there is a sizeable dining room which connects to the hallway. This, in turn connects, the kitchen, store room, office/guest room, one large guest room and bathroom and double garage. The kitchen has a pantry/laundry room next door and overlooks the big rear garden, which has its own edible grape vines.
