Fantastic large Villa in central Vila Sol

This fantastic Villa is located centrally within the desirable resort of Vila Sol. A large cobbled driveway leads into the extensive garden and grand entrance to the property. The beautiful entrance hall opens up to a winding staircase to the top floor and feeds through to the fabulous dining room, which overlooks the swimming pool area and connects the large tiered lounge and the kitchen together. The hallway runs the length of the lounge and provides a double door entry to the top tier of the lounge area. The excellent blend between modern and traditional is very clear in this fabulous property.

The kitchen is fully equipped with all the expected modern appliances and has handy double doors to the dining room. It is also nicely located next to the BBQ and outside bar area which overlook the well kept gardens and swimming pool areas. The kitchen also has a convenient washing room/
