3 bed Seaview townhouse Fuseta with private pool

Here we have fantastic 3 bedroom townhouses for sale, some already built and some under construction. Each have their own private pool, with beautiful views over the Ria Formosa. With top quality from start to finish, they will feature underfloor heating, air conditioning, double glazing, acoustic insulation. Featuring lots of natural light, the rooms are airy and spacious. Each room has access to an outside terrace, and there is further outside space with a private pool and BBQ area. The roof terrace features beautiful sea views.
