Traditional 3 bedroom detached villa on a 3940m2 plot

This is a 3 bedroom 3 bathroom detached villa set on a 3940m2 plot in a stunning location just a 5 minute walk to the Vale Do Lobo entrance. This property has a gorgeous mature garden, a swimming pool, BBQ area, an outdoor storage with covered terrace. As it is, the house has a spacious kitchen with a pantry, a large living room with dining area, two bedrooms, out of which one is en-suite and a social bathroom on the ground floor. Upstairs there is an extra large master bedroom with fitted wardrobes, big en-suite bathroom and large terrace with views over the swimming pool and garden. The property has architectural plans that allow the transformation into a 4 bedroom 3 bathroom villa. A great opportunity to own a house in Vale Do Lobo with a large plot of land, close to amenities, but very private.
