Spacious one bed apartment walking distance from the marina

This is a beautiful and spacious one bedroom apartment, loved and cared for. The apartment is located in a good closed condominium with swimming pool, underground parking and green areas in a very peaceful area of Vilamoura, but within walking distance to the busy marina with all it has to offer. The apartment has a very large kitchen, fully equipped and supported by a pantry/storage room. The bedroom is a good size and has fitted in wardrobes. The lounge has access to a nice terrace facing the swimming pool and green areas. Located on the 2nd and last floor of the building, the apartment has good privacy and easy access.
