Modern Villa In Quiet Location

Modern villa divided into three floors set in a land of 3 200m2 and with a inside area with about 230m2. This amazing villa consists of four bedrooms, of which 1 is an en suite, on the ground floor we can find the living room with a wooden fireplace, oriented to the outdoor leisure area, one bedroom and a full bathroom with a bathtub, a fully equipped kitchen with an island where you can have your breakfast and also an open plan dining room. The main suite is located on the first floor of the villa with access to a terrace where you can sunbathe and enjoy the nature that surrounds this wonderful villa, on the same floor there are two more bedrooms and a bathroom with a shower. This property is very well located in a quiet residential area and about 10 minutes from the center of Loulé.
