Luxury Villa with Panoramic Sea and Country Views

Magnificent luxury villa with panoramic sea and country views on a golf resort for sale on the popular resort of Santo Antonio.

This property built to exacting standards, is stylish yet practical and homely. It would make an ideal permanent home, or holiday home with rental income potential if so desired.

The upper level consists of a very large, bright and sunny living and dining room, spacious and modern kitchen, master bedroom en-suite, large utility room, guest WC, an additional informal lounge with floor to ceiling windows, an indoor / outdoor entertaining room with kitchen and large sun terrace with steps going to the garden and lower level of the property.
