Restaurant in popular location between Vale do Lobo, Almancil and Quinta do Lago in the Golden Triangle

This is a unique opportunity to buy a popular restaurant in the Golden Triangle, located on the main road to Vale do Lobo. It is nicely positioned close to all the facilities of Vale do Lobo and Quinta do Lago and has fantastic road frontage on a 3000 square metre plot.

This superb restaurant boasts plentiful seating indoors and outdoors for alfresco dining with a lots of available parking and land area. A welcome bar area separate to the main restaurant area is a great addition to this tastefully decorated facility. There are also large storage areas and an office for administration purposes. The fully equipped, industrial kitchen easily caters for the demands of a busy restaurant.
