Modern and Luxurious One Bedroom Apartment Close to the Beach

The condominium features 15 luxurious yet comfortable and inviting apartments. The interiors, decorated in soft tones inspired by the beach and nature, create a serene and tranquil atmosphere.

All apartments are south-facing, ensuring ample natural light throughout the day.

Each apartment offers a fully equipped kitchen with a sliding panel that allows the space to be open to or separated from the living room, according to your preference.

High-quality finishes include Siemens appliances, LG air conditioning, Bruma faucets, electric towel rails, electric underfloor heating throughout, and electric blinds in the bedrooms.
