### Excellent building plots for luxury villas

Here is an excellent opportunity to buy a building plot located on the sought-after and highly desirable Porto do Mos urbanisation, close the 5-star Cascade. wellness resort and hotel.

The size of plots start from 1101m2 and increase up to 1764m2. The prices increase with entry level currently at 600,000 euros. You can build in the region of 200m2 to include the ground floor and first floor plus an additional basement of 100m2.

It is very rare to get a plot of this size in the urban areas of Lagos, especially so close to the beaches of Porto do Mos, Praia Dona Ana, Ponte de Piedade, and Camilo. Just a ten minute walk to the beach, plenty of excellent restaurants, cafes and shops within an easy ten to fifteen minute walk.
