### Exclusive Faro Penthouse: 3+1 Duplex with Rooftop Private Pool and Panoramic Views

This modern residential development in Faro offers a sophisticated collection of contemporary apartments and duplex penthouses, ideally positioned just minutes from the city centre, marina, and the stunning Ria Formosa. It combines striking architecture with smart design, creating a seamless balance between urban living and natural surroundings.

The development features one to four bedroom units, all thoughtfully designed with open-plan layouts, large balconies or private terraces, and high-quality finishes. Sustainability is a core focus, with each property boasting an A+ energy rating, solar panel integration, and electric vehicle charging stations in the secure underground parking area.

A standout opportunity remains: the final available 3+1 bedroom duplex penthouse. This exclusive residence delivers the ultimate in luxury and privacy, offering panoramic views over the Ria Formosa.
