Turnkey project- Modern 4 bedrooms villa

This ready-to-build project sits on a generous plot and includes a striking contemporary villa with an innovative, modern design. The price covers everything – from the land itself to the complete design and construction of the villa. Every detail has been carefully considered to combine cutting-edge comfort, smart functionality, and exceptional style.

The home offers four spacious bedrooms, two of which feature private en-suite bathrooms, along with a total of four elegant bathrooms. Its open-plan living area is designed to flow effortlessly between indoor and outdoor spaces, filling the villa with natural light and creating a calm, welcoming atmosphere.

Outdoors, the property becomes a true retreat. A landscaped garden, sparkling swimming pool, and inviting patio provide the perfect setting for alfresco dining, entertaining, or simply enjoying the
