Vila Sol – Exceptional Single-Level Villa in Prime Location

Nestled in the prestigious Vila Sol resort, this exceptional four-bedroom, four-bathroom villa offers an ideal combination of luxury, comfort, and convenience — all on one level for effortless access and easy living.

Fully refurbished approximately 2.5 years ago and used for only around 10 weeks since, the property feels almost brand new. Every detail has been carefully designed to provide a modern, efficient, and relaxing living environment.

The villa features electric underfloor heating throughout, solar panels for hot water, air conditioning, and an electric fireplace, ensuring comfort in all seasons. The bathrooms are equipped with electric heated towel rails, reflecting the home's attention to both style and practicality.
