Refurbishment Project – 150m from the Beach, Quarteira

This exceptional refurbishment project is ideally located just 150 metres from the beach in Quarteira, only steps away from the Crowne Plaza Hotel and within a short three-minute walk to Vilamoura, including the renowned Hyatt Regency Vilamoura. Set in one of the most desirable coastal areas of the Algarve, the property offers a rare opportunity to create a bespoke home or a highly attractive investment.

The property allows for the possibility of developing two independent units, offering excellent flexibility and income potential. The semi-basement level can be converted into a one-bedroom apartment with a living room, kitchen, bedroom and bathroom, ideal for rental or guest accommodation. The main house provides generous space for three bedrooms, a large kitchen and an open living and lounge area, allowing for a modern and comfortable layout.
