### Unique investment opportunity in Olhão

This prime plot of land represents an outstanding opportunity for investors and developers. Ideally located in Olhão, close to the EN125 and the Ria Formosa Shopping Centre, the property has a total area of 9,108 m<sup>2</sup> and benefits from an approved project for 150 residential units.

Set in a peaceful environment while remaining close to key amenities and transport links, the location offers strong appeal to future residents. Olhão continues to experience steady growth and rising demand for quality housing, making this site particularly attractive for long-term investment.

For those seeking a high-potential development project with excellent return prospects, this opportunity stands out. This is a chance to enter a dynamic and expanding market and to create a residential development that will generate strong interest and lasting value.
