Elegant 4 Bedroom Villa Under Construction

This is an elegant modern semi-detached villa under construction in Loulé, Algarve.

The property sits on a 900m² plot and features four spacious en-suite bedrooms, a private swimming pool, and a large 165 m² basement with a double garage.

On the ground floor the entrance opens into a generous hallway with double doors, leading to a guest WC.

The fully equipped kitchen includes a central island and connects to a covered terrace with a laundry area. The dining and living room, complete with a fireplace, enjoy direct views of the terrace and pool. This level also includes one en-suite bedroom with built-in wardrobes and access to a large outdoor terrace.
