Expansive 3-floor villa with 5 bedrooms, 6 bathrooms, a spacious kitchen, living and dining areas, and a covered terrace with lush garden views

This impressive three-floor villa offers 329.0 m² of well-appointed living space across 5 bedrooms and 6 bathrooms, designed with comfort and elegance in mind. A sweeping curved staircase with warm timber handrails and wrought-iron balusters serves as an architectural centrepiece, crowned by a cascading chandelier that fills the upper hallway with light. The ground floor, spanning 139.0 m², features a bright dining room with sliding glass doors opening onto a covered terrace, where columned archways frame sweeping views of lush greenery and palm trees under open skies. The modern kitchen is fitted with light wood cabinetry, white countertops, stainless steel appliances, and large-format floor tiles, delivering both style and functionality. A spacious living area on the lower level provides a relaxed entertainment space. The first floor covers 107.0 m² and houses several well-proportioned bedrooms, each with built-in oak-panelled sliding wardrobes and tiled floors. The primary...
