A renovated 2+1 bedroom townhouse with garage, patio and south-facing orientation in Al-Sakia

Excellent 2+1 bedroom townhouse, fully renovated in 2020, located in the Al-Sakia development, Fonte Santa, Quarteira. With a south-facing orientation, private garage and a pleasant patio of approximately 30 m², this property combines comfort, functionality and excellent sun exposure.

The property currently comprises three bedrooms, a living room, a separate kitchen, two full bathrooms and a guest WC, distributed across different levels.

The complete renovation carried out in 2020 included new electrical and plumbing installations, carpentry, flooring, bathrooms and window frames, providing a modern and comfortable living environment.

The living room and bedrooms feature floating flooring, while the Anicolor Série CT window frames
