Located in Palmyra Resort , this well-appointed townhouse across four floors, features 3+1 bedrooms and 4 bathrooms.

NEW TO MARKET- refurbished to a very high standard with added special features such as a rooftop Jacuzzi, Sauna, electric shade, rooftop shower and outdoor kitchen. Located in Palmyra Resort, this well-appointed townhouse offers a large living space spread across four floors, featuring 3+1 bedrooms and 4 bathrooms, a ground floor terrace and stunning garden area.

The ground floor forms the heart of the home, hosting an open-plan dining room, kitchen, and living area. The kitchen is fully fitted with solid wood cabinetry, dark granite countertops, a gas hob, oven, and recessed lighting — designed for both functionality and style. Additionally, there is one bedroom on this floor which could easily serve as an office as well.

The adjacent dining area and lounge features crown moulding and clean white walls, while the bright living room stands out with a fireplace, built-in shelving, a wall-mounted TV, a wine fridge, an
